Belgium -

Does any oppose address grounds there is no relation between advert & consumption. Can't appear to oppose health priorities however. There they may question top increase.
- e.g. health objectives & criteria for evaluating tax rates.

Heath van Raad
May 17 Brussels Bad 25-30
Hobbs will govern Thursday night

FCBO objective:
- establish grounds that smoking does not pose a safety threat and label the issue out of SMEC/FCBO on jurisdictional grounds
- generate concern that smoking does might pose safety issue (clandestine)
- use adoption of 1&2 with national bodies

i.e. Never been a safety issue
But want to create issue ~~not by~~ by introducing a non-technical issue

Stockholm

Forsey — May 1/Apr 30 — World wide tobacco workers will meet in connection with the IUF (Food and Allied Trades) Int'l Union of Food and allied Workers and the European Comm of Food, Tobacco and allied Workers (EC subgroup).

IUF plenary meets in Stockholm end April/beg.

Geneva mtg served to assure IUF Directorate expression for U.S. domestic BCAT and to ensure distance from any transnational collective bargaining issues.

Rene has been invited to convey views the Stockholm mtg.

also in Geneva discussion of Portugal unions Blanca (Bianca) & Urunela of EC sub group. Interested in EC monopolies.

April 14 mtg to discuss projects for monopolies. Seville

while in Geneva Benny Schantz hired to go to Seville by Benny of the IUF

Source: https://www.industrydocuments.ucsf.edu/docs/tsbl0000

2025498700

Yes leaving Geneva — because of concerns over low attendance in Seville, sent a fax to add to agenda issue related to transshipment from Eastern Europe

and want Bobby Curtis, head of Labor Agmt Committee and head of Tobacco sector to attend.

Seville gave us charge to table our paper which will be presented in Stockholm.

In Stock, Dave will explain why the U.S. experience has been effective and why Tobacco workers should unite to protect jobs.

~~Curtis will~~ Bobby

there are 3 problems Curtis will say in Seville
- consolidation of industry & rise of monops.
- dominance of profit and
- worldwide threat to tobacco industry

Dave will build on Curtis remarks in Stockholm.
